

## Do you have what it takes to be a H.E.R.O?

Project H.E.R.O. (Helping Enrich Reading Opportunities) is a tutoring initiative of Charleston County School District and AmeriCorps State. AmeriCorps Members will be stationed at one of nine Innovation Zone elementary schools where they will spend 20 hours per week helping second graders read on grade level, assisting the school with capacity building and leading a literacy camp in June. AmeriCorps Members will receive a modest living allowance and an Education Award upon completing the service term. For more information on how you can be a part of Project H.E.R.O. please contact Katy Simison at [katy\\_simison@charleston.k12.sc.us](mailto:katy_simison@charleston.k12.sc.us) or apply online at [Americorps.gov](http://Americorps.gov) (Americorps\*State Listing ID# 42921).
