

Are you ready to Make A Difference In the life of a student?

THE SCEA IS LOOKING FOR EDUCATORS TO MAKE A COMMITMENT TO PUBLIC EDUCATION AND THEIR COMMUNITY!

THE SCEA IS LOOKING FOR EDUCATORS WHO WILL ACTIVELY JOIN US TO:

COLLECTIVELY ADVOCATE FOR HIGH STANDARDS FOR EDUCATORS

Educators have a voice in determining the standards for teaching and learning and help our students have access to resources that students, educators and communities deserve.

COLLECTIVELY INVEST IN YOUR PROFESSIONAL DEVELOPMENT

The SCEA sponsors workshops and seminars that are available to all members - from new to veteran teachers and ESPs that seek to build skills and expertise that help you to become a stronger leader in your profession.

COLLECTIVELY ADVOCATE FOR YOUR CAREER

Every day, your professional association and its members advocate for policies that affect your profession, your standards, your classrooms, even your buses and cafeterias. We tackle issues ranging from school funding and modernization to salaries and working conditions.

COLLECTIVELY CONNECT TO YOUR COMMUNITY

Education is a collaborative process involving educators, parents, and the community. When you join, you belong to a professional network of education advocates working to move a pro-public education agenda for the schools that South Carolina students deserve.
