Center for Educator Wellness & Learning

INDUCTION INSTITUTE

The Center for Educator Wellness and Learning's (CEWL) Induction Institute is a comprehensive induction program designed to provide new teachers and other early career educators in South Carolina with the necessary support, resources, and mentorship to foster their professional growth and success in education. The Institute aims to:

- Support beginning educators
- Improve the quality of teaching in SC
- Raise the level of student achievement
- Reduce the rate of attrition among those new to the profession
