

The SCEA Read Across SC Art Contest

From the Mountains to the Sea, Read With Me

2015-2016 Winners

The Read Across South Carolina Art Contest is designed to promote literacy and art across South Carolina. In doing so, the contest provides recognition to individual students, publicity for their teachers and schools, visibility of education-based organizations like The South Carolina Education Association and advances opportunities to raise awareness about art and literacy.

The first state-wide Read Across South Carolina Art Contest brought in more than 65 entries from kindergarten through high school age students. The number of imaginative and exceptional entries made the judging difficult, and the winners presented here reveal a wide diversity and range of talent, imagination and creative spirit.
