

ENVIRONMENTAL EDUCATION WORKSHOP FOR EDUCATORS

Teaching students how to think, not what to think!

PLT's programs build on children's sense of wonder and provide an early foundation for developing positive impressions about nature and lifelong social and academic skills.

- This workshop is for formal and informal educators.
- PLT activities can be used inside or outside by anyone who interacts with children!
- PLT's hands-on activities use the forest as a window to a wide range of environmental topics.
- PLT is interdisciplinary—it is not just science!
- You'll receive materials and activities for use in your classroom

This workshop is **FREE** of charge!

This workshop qualifies for six certificate renewal credits under Category 6!
