

VOTE

**For Education
Tuesday
June 14**

The SCEA Fund for Children and Public Education 2016 Recommended Candidates

These candidates have been through The SCEA's rigorous interview and vetting process. We ask that educators support these candidates. The SCEA is a non-partisan organization that supports candidates from multiple political parties. These candidates were screened based on the most pressing education issues and their overall record of support for public education. Our profession depends on electing officials who support our students and public schools.
